**Introduction..... 9**

**5 January 2021, Message of Jesus, Vigil of the Epiphany of the Lord 13**

*In My Name You Will Win.....13*

**From now until My glorious coming, I will be among My people of the whole Universe, invisible to the eyes of those who refuse Me, for as long as the Father wants. It will be you, My people, who will manifest My power and testify to My presence among you. I will act in the depth of your spirit, and you will bring out the fruits of your union with Me. Signs and miracles will accompany your mission because I will be the One who works with you. I ask you to be docile and obedient to My authority so that I can use you. .... 13**

**16 January 2021, Message of God the Father, Vigil of the consecration to the Most Holy Trinity ..... 18**

*The Times to Come .....18*

**My dear Children, you have decided to renew your solemn consecration to the Most Holy Trinity this year. This is a fundamental event for the whole of humanity of the Universe, and it is what I have expected of you as a sign of your faithfulness. Therefore, from your consecration onwards, Jesus will be among you, and a completely new phase of your path will begin. Be ready to welcome His living presence and to be obedient to Him and to the Holy Spirit through Mary Most Holy. .... 18**

**21 February 2021, Message of the Blessed Virgin Mary, Vigil of the Solemnity of the Blessed Virgin Mary, Co-Redemptrix of humanity . 24**

*Jesus Is Here Among You .....24*

**Jesus is here even though you do not see Him with your eyes. His star is shining more than ever in the Church of the whole Universe and will guide you towards the new times. I will be with you as Mother, Queen and Co-Redemptrix to help you feel Jesus’ living and salvific presence and to transmit His peace to the world because I am the Queen of Peace. .... 24**

**18 March 2021, Message of St. Joseph, Vigil of the Solemnity of St. Joseph ..... 28**

*Mary, the New Woman .....28*

If you want to become new creatures, you have to unite with Jesus and Mary as I did. Jesus could not be born without Mary, but He could not die without Mary either. He needed the participation of an immaculate creature who would take part, in the name of all humanity, in the suffering of the Cross and the glory of the Resurrection to prepare the path for a new humanity. No one else could have done this except the One who had given Him everything and who belonged entirely to Him..... 28

**24 March 2021, Message of Mary Most Holy, Vigil of the Solemnity of the Annunciation..... 33**

*Like Grains of Wheat..... 33*

Today, the whole Church of Jesus Christ of the Universe is called to a truly great commitment both here on Earth and on the other planets: to manifest the victory of My Son over death and Hades. This must particularly take place on your planet through you, who have decided to live according to the programmes that have been revealed to you in these years. These programmes apply to all those who sincerely wish to belong to Jesus through My Heart..... 33

**10 April 2021, Message of Jesus, Vigil of Divine Mercy Sunday ..... 37**

*Mercy is Truth..... 37*

Therefore, live in the truth and make My work of Redemption alive and actual in order to become co-redeemers. You will not reach this if you do not immerse yourselves in My Sacrifice through My Mother. Remember that you will never be co-redeemers without the work of the Co-Redemptrix. Being co-redeemers is not a simple statement but the mission of each one of you and of My Church of the whole Universe. It is what makes you true, merciful disciples, bringers of life to the farthest ends of the Universe..... 37

**12 May 2021, Message of Mary Most Holy, Vigil of the apparitions of Our Lady of Fatima ..... 41**

*Let My Heart Triumph in You..... 41*

The One and Triune God is drawing the conclusions of the last few years and will prepare new events for humanity. Only those who have sincerely decided to love and serve the true God through My Heart will see them. However, they will remain hidden to the lukewarm, the doubters, the adversaries of God, the liars, the swindlers, the murderers. Those who have

chosen God, will have God; those who have chosen Satan will have Satan. Those who have chosen nothing will have to hurry as time is running fast. God is knocking at the door of your hearts; He wants to give you what you need to live. Hurry to open the door to Him before the devil, your true enemy, knocks at the door to bring you his gifts full of bitterness, anxiety and despair. .... 41

**22 May 2021, Message of the Holy Spirit, Vigil of the Solemnity of Pentecost..... 47**

*One Body, One Spirit..... 47*

I solemnly announce to you that today a real countdown begins for the whole Universe and particularly for the Earth. The events are imminent and time will flow ever faster towards the epilogue of history, which will culminate in the glorious return of Jesus Christ that will be visible to everyone. Jesus will come to judge the humanity of all times, the living and the deceased, and to definitively separate the children of God from the children of Lucifer, the offspring of the Woman from the offspring of the serpent. .... 47

**5 June 2021, Message of God the Father, Eve of the Solemnity of the Most Holy Body and Blood of Christ – Corpus Christi ..... 52**

*Villages of the Spirit..... 52*

The communion of the members of My only true Church of the whole Universe is destined to grow and become more and more visible. You are called to feel in communion with all your brothers and sisters. When you contact each other and get together – physically, in spirit or with the help of the means technology provides today – a spiritual dimension is created, which I define as a *village of the spirit*. This is a place of spiritual encounter, where the Trinitarian Love circulates and binds you to each other. This is not a fantasy as the realities of the spirit are not virtual images but concrete realities, which bear equally concrete fruits for those who have faith. .... 52

**24 June 2021, Message of Mary Most Holy, Eve of the anniversary of the apparitions of the Queen of Peace in Medjugorje..... 57**

*Forty Years with Me in the Desert of this Earth..... 57*

This year, 2021, which is the fortieth year of My Apparitions in Medjugorje, the time of preparation ends, and the MESSIANIC TIME begins. It is a time of

final choices for every one of you and for the entire humanity of the Universe; a time in which God wants to fulfil what He has decided from eternity. These forty years, in which you have gone through the desert of this Earth, have produced an extraordinary fruit in you and in those who have been faithful to God and Me: THE INTERMEDIATE COMING OF JESUS, of which I have already spoken..... 57

**29 June 2021, Message of St. Peter the Apostle, Solemnity of Saints Peter and Paul, Apostles ..... 62**

*Walk in the Footsteps of the Saints in Communion with Them..... 62*

In this time, the whole Church of Jesus Christ of the Universe is going through a period of great dynamism because JESUS' INTERMEDIATE COMING to Earth places all of us on a demanding and dynamic path. We Saints, who are already in God's Light, also participate in spirit in Jesus' action on Earth, rescuing people, as I have just said, but also supporting Jesus in opening the hearts of the people. We can, in fact, help people's hearts to open up to God and begin to bloom like flowers..... 62

**29 June 2021, Message of St. Paul the Apostle, Solemnity of Saints Peter and Paul, Apostles ..... 65**

*You Are Already Living in the Cosmic Pentecost..... 65*

You are already living in the time of the COSMIC PENTECOST. It has already begun, but it has strongly accelerated after the proclamation of the existence of the *Church of Jesus Christ of the Universe* on Earth, which you made in 2018. Your planet was the last to receive the announcement of the existence and the action of this Church. Therefore, the cosmic Pentecost is already in place and the Lord is proceeding with His powerful action. In the past years, this Pentecost has prepared JESUS' INTERMEDIATE COMING and now also prepares His glorious return at the end of times. When Christ gloriously returns, the Pentecost will be a truly great cosmic event, visible to everyone..... 65

**7 August 2021, Message of the Father, Solemnity of God the Father 68**

*I Leave You in the Hands of My Son..... 68*

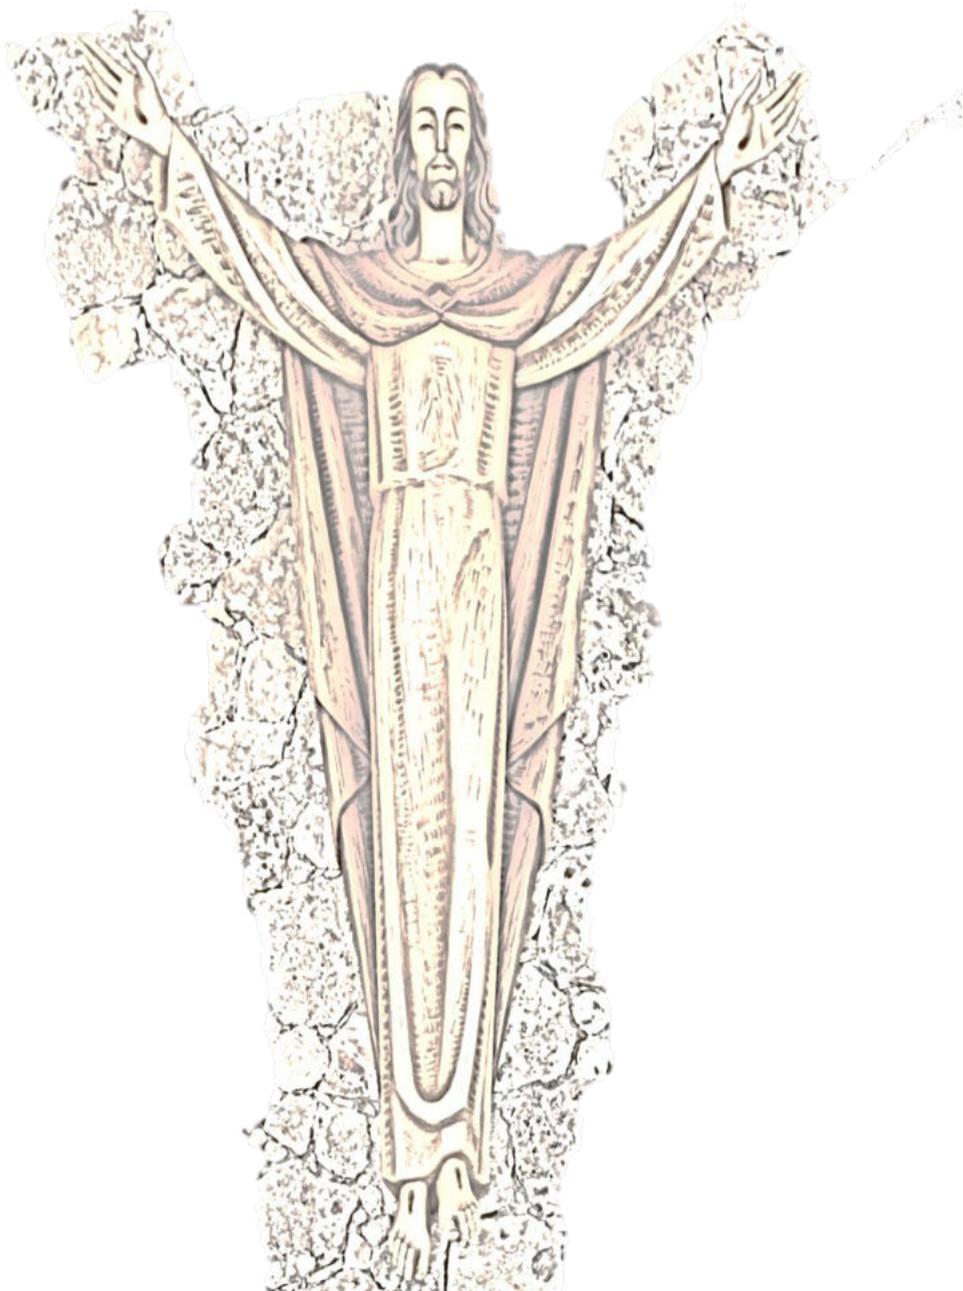

This is also the TIME OF THE SILENCE OF GOD, of which My Son will speak to you. Silence does not mean that God will not speak anymore, but that He will speak in a different way; I will speak through My Son in the depth of your

spirit. The Holy Spirit will make you hear Jesus’ voice within you, and all those who said ‘Yes’ at the moment of conception will recognise and follow the voice of the Shepherd. .... 68

**14 August 2021, Message of Mary Most Holy, Vigil of the Solemnity of the Assumption of the Blessed Virgin Mary..... 72**

*I Have Told You Everything..... 72*

I have told you everything. Now, all that remains for Me is to assure you that I will always be with you on all paths that lead you to God. I will pray for you and offer Myself for you on the Heavenly Altar in the perennial Liturgy of the Church of the whole Universe. Thank you for all the steps you have taken with Me and for your faithfulness to God and Me. I am your Mother, your Queen and your Co-Redemptrix. For you, who love Me, I will always be the North Star: in the sea of life, I will always show you the safest route towards Jesus..... 72

## Introduction

In the past years, we have written and spoken about different themes, which were not theories, but revelations of the action of the Most Holy Trinity that progressively and ever more intensively involved all the members of the Church throughout the Universe. Those of you who have accepted and followed these programmes have gone through various stages of inner growth, even strong ones, through which they had to make new choices.

A very particular event on Earth was the proclamation of the *Church of Jesus Christ of the Universe* in the year 2018. A small remnant of the Christians of the Earth, a new people, to whom we belong, after years of spiritual path, witnessed and announced that the Church exists throughout the Universe and joined it to be part of it. We have spoken to you about this extensively.

From the day of the proclamation of the *Church of Jesus Christ of the Universe* here on Earth, the Trinitarian action has developed intensively throughout the Universe. The path of this *little-big Church*, as Our Lady defined it, here on Earth and united with that of the whole Universe, is contained in the messages that were transmitted to us, through Stefania Caterina, in the years 2018, 2019 and 2020.

All these far reaching messages, which are of fundamental importance for our path, were intended to introduce us to this year, 2021, in which an extraordinary and unique event in the history of the last two millennia has occurred: THE INTERMEDIATE COMING OF JESUS CHRIST to Earth, in favour of the humanity of the whole Universe. The nature of this event and its power have been revealed to us through the messages we have received in 2021, which are contained in this book.

In Her message of August 14, 2021, Mary Most Holy states:

*“The intermediate coming of Jesus also marks the beginning of the last stage of the PLAN OF THE RECAPITULATION OF THE ENTIRE*

**CREATION IN JESUS CHRIST, which has been widely explained to you in the past years. You are in the final phase of this plan of cosmic importance, which will involve everyone and everything, whether they want it or not."**

She announces that She withdraws into the Most Holy Trinity and leaves us with these words:

**"I have told you everything. Now, all that remains for me is to assure you that I will always be with you on every path that leads you to God. I will pray for you and offer Myself for you on the Heavenly Altar, in the perennial Liturgy of the Church of the Universe. Thank you for all the steps you have taken with Me and for your faithfulness to God and Me. I am your Mother, your Queen and your Co-Redemptrix. For you, who love Me, I will be your North Star: in the sea of life, I will always show you the safest route towards Jesus."**

She directs us to God so that we may enter the grace of this time:

**"From now on, Jesus will speak to you at the times and in the way He will decide, in the power of the Holy Spirit. Open yourselves to Him to receive what you need. Remain faithful to Jesus and the Holy Spirit so as not to break the thread that unites you with the Father. You will not have peace or happiness without the Love of the Father that only Jesus and the Holy Spirit can give you in fullness."<sup>1</sup>**

**Thus, Jesus is here, alive and present in our midst. We witness that Jesus is present with His power as the Risen One; He is beside us and speeds up the path of the people towards the new creation. His presence, although invisible to our eyes, can be felt by all those who sincerely desire to be living in Christ and are willing to die to themselves and to the world. The corrupt, who seem alive but are dead, will not enter the new creation.**

**As members of the Central Nucleus, together with all the extraordinary instruments, we are withdrawn into silence, into the**

**dimension of the spirit, from where we can help you best to discover the presence of the living Jesus Christ, who came to save humanity.** Whoever opens his spirit to Jesus, participating in the action of the Holy Spirit, will feel the powerful action of the extraordinary instruments. **Those who do not open themselves to the Spirit of Christ cannot belong to Him.<sup>2</sup> In doing so, they deny the presence of the living Christ and reject His salvation.**

**Here are some guidelines that will help you in these times:**

- Read the messages in the light of the Gospel and reflect on them to understand and live them.
- Offer your life to Jesus, through the Immaculate Mother, Queen and Co-Redemptrix.
- Find time for prayer and enter the profound prayer in the Holy Spirit, as Our Lady has taught us.
- Ask for help if you do not understand; the Foundation will be at your disposal. In communion with those who are walking the path, you will be better informed and enriched by new graces and experiences.
- Feel united with the extraordinary instruments and the whole *Church of Jesus Christ of the Universe*.

For our part, we assure you that we offer ourselves continuously to God for all of you and pray for you. God will not fail to help you and support you in trials if you have the sincere desire to transform your life in God. Be courageous and responsible.

We bless you.

## 5 January 2021, Message of Jesus, Vigil of the Epiphany of the Lord

From now until My glorious coming, I will be among My people of the whole Universe, invisible to the eyes of those who refuse Me, for as long as the Father wants. It will be you, My people, who will manifest My power and testify to My presence among you. I will act in the depth of your spirit, and you will bring out the fruits of your union with Me. Signs and miracles will accompany your mission because I will be the One who works with you. I ask you to be docile and obedient to My authority so that I can use you.

### In My Name You Will Win

“Dearest Children,

The year 2021 began only a few days ago, and I come to remind you of what I have already told you: the time of My INTERMEDIATE COMING among My people, in the power of the Holy Spirit, has come. Tomorrow, you celebrate Epiphany, that is, My manifestation to the whole Universe. In this vigil, I want to manifest Myself to you, My Church of the whole Universe present on Earth.

Today I will place My dwelling among you to begin with you an intensive path of evangelisation, conversion and healing of the Earth. It is up to you, children of this humanity, to evangelise your planet. The evangelisation always brings with it conversion and healing of both individuals and entire peoples.

The mission I entrusted to My twelve Apostles is the same, now as then, and it is valid for you and for the Church: preaching the Kingdom of God, healing those who are ill in body and soul, forgiving the sinners and helping them to convert, casting out demons.

The Earth urgently needs to be evangelised. Despite the efforts of many saints throughout history, the Earth has not converted and

obstinately continues to refuse Me. **The various Christian confessions of the Earth have not changed this humanity. Lectures and sermons, documents and initiatives of all kinds have left most of humanity indifferent.**

**Today, the Christianity of the Earth mainly appears as a gigantic humanitarian association, which helps people more in their material needs than in the spiritual ones. Charity is necessary and praiseworthy, but it cannot represent the whole mission of the Church.** For a long time, too many Christians have stopped referring to Me as the Son of God, the only Lord and Saviour. In the name of dialogue, people prefer to talk about the Catholic God; one God among other gods. **A path of knowledge and conversion is missing and nothing is changing in the hearts of the people.**

**To this is added the failure of all Christian confessions to proclaim the existence of life in the Universe, and, above all, their refusal to recognise the presence and the work of My Church in the whole Universe. All this has led to an impoverishment of the action of the Christians. Their testimony leaves no deep signs, with the results that you can see.**

**Therefore, this has been a necessary path for this people who has decided to welcome the presence of other brothers and sisters of the Universe and to form one Church. Not a new Church, but the only Church:**

- established by Me on Earth in favour of the whole Universe;
- founded on the testimony of the Apostles;
- wet by the blood of the martyrs;
- edified by the words of the prophets;
- made strong by the life and work of the saints of all times and all planets.

**This Church, which has always existed on Earth, has been suffocated and cornered, limited in its action by hierarchies and apparatuses of power, which have nothing to do with faith in Me, even if they have cloaked themselves in My authority. Now, My true Church must**

emerge in her power on Earth and in the whole Universe. Therefore, I come in your midst to fill you with My grace. Thus, I will prepare you for My last and final, glorious coming to Earth, in which I will manifest Myself openly to the entire humanity of the Universe, and I will judge it with the power that I have received from My Father.<sup>3</sup>

My presence among you will be silent and hidden to the eyes of the world as happened when I first came to Earth. During the years of My preparation for public life, I also remained in silence, but My presence and My prayers were preparing the hearts and the events.

From now until My glorious coming, I will be among My people of the whole Universe, invisible to the eyes of those who refuse Me, for as long as the Father wants. It will be you, My people, who will manifest My power and testify to My presence among you. I will act in the depth of your spirit, and you will bring out the fruits of your union with Me. Signs and miracles will accompany your mission because I will be the One who works with you. I ask you to be docile and obedient to My authority so that I can use you.

**Use My name to request and to give.** The power of my Name opens the doors to true miracles and what is impossible becomes possible. I want you to ask for everything in my Name from now on.

**Do this before every individual or community prayer and before every celebration:**

- **Invoke the Holy Spirit** so that He helps you ask for things that correspond to God's will. He knows your wishes and those of the people, but He also knows the wishes of God and He will not allow you to ask for things that do not correspond to God's will.<sup>4</sup>
- **Then, consecrate yourselves to My Mother**, the Spouse of the Holy Spirit, so that every request may be filtered through Her wholly pure intentions. She will only offer to God the requests that are worthy to be accepted.

---

<sup>3</sup> See John 5,26-27

<sup>4</sup> See Rom 8,26-27; 1Cor 2,9-16

- **Finally, ask the Father to fulfil your request in My Name.** I will be before Him, asking Him to listen to your prayers if they are just and necessary for your good and that of those you are praying for.<sup>5</sup>

**My Name has been used many times but not always for the good. Many powerful of the Earth and many representatives of Christian confessions have used my Name to gain approval and cover up their infidelities. My Name has often been used to justify real crimes. Now it is time for My Name to be used by a faithful people; by My true Church of the whole Universe. I will no longer allow My Name to be profaned by people who are greedy for power and glory, or to be invoked in superficial feasts and celebrations full of the spirit of the world. As it is written: *"It is iniquity, even the solemn meeting."*<sup>6</sup>**

**To you, however, I tell to invoke My Name with faith. In My Name you will overcome the hostilities of the world and the hatred of the enemy. I will always be at your side if you invoke Me with a pure heart and the sincere desire to help yourselves and your neighbours to move forward on the path of holiness.**

**However, I have to tell you to be careful because the times that are opening up before you are the times of the great deceiver: Lucifer will deceive many and blur the thoughts of the people to lead them to perdition. He will even try to use My Name to seduce you, but He will not succeed. If you remain faithful to Me and to all that has been shown to you, you cannot be deceived: the light of the Holy Spirit will be in you and My Mother's Heart will watch over your path. No one will be able to seduce you because I will be among you as the Way, the Truth and the Life.<sup>7</sup>**

**Remain united with God and all extraordinary instruments, who will not fail to protect and help you in your great work of evangelisation of the Earth. The seven great Archangels, headed by St. Michael, will**

prepare all the paths you will have to walk. **Do not be afraid and go out in My Name to bring salvation to those who desire it, to awaken the dormant consciences, to give relief to those who are suffering. Manifest, finally, the power of the work of My Church of the whole Universe.**

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

## 16 January 2021, Message of God the Father, Vigil of the consecration to the Most Holy Trinity<sup>8</sup>

My dear Children, you have decided to renew your solemn consecration to the Most Holy Trinity this year. This is a fundamental event for the whole of humanity of the Universe, and it is what I have expected of you as a sign of your faithfulness. Therefore, from your consecration onwards, Jesus will be among you, and a completely new phase of your path will begin. Be ready to welcome His living presence and to be obedient to Him and to the Holy Spirit through Mary Most Holy.

### The Times to Come

“Dearest Children of Mine,

**Almost a year has passed from the day I have communicated to you the separation of My Church of the Universe from the false Church<sup>9</sup>, and it has taken place.<sup>10</sup> In the past year, the Earth has profoundly**

---

<sup>8</sup> Every year in January, on the Sunday after the Solemnity of the Baptism of the Lord, the *Church of Jesus Christ of the Universe* renews her solemn consecration to the Most Holy Trinity.

<sup>9</sup> See Message of God the Father of 19 January 2020, published on our website, <https://towardsthenewcreation.com>

<sup>10</sup> On 15 July 2020, the Catholic Church imposed the penalty of excommunication on Father Tomislav Vlašić. In the message of 31 October 2020, St. Michael the Archangel stated in relation to this: “*The excommunication that has struck Father Tomislav has inevitably struck all of you. The Lord Jesus, the only Head of the Church, has considered the judgment of the Catholic Church against you as superficial, hasty and merciless; essentially, an UNFAIR JUDGEMENT. As such, it has no value in the eyes of God. In fact, what God has considered as unfair cannot stay before Him, who is the absolute Righteous. Human injustice cannot stand up to Justice. The Catholic Church, through the hierarchies that represent her, has considered these revelations as contrary to the Christian doctrine and thus a cause for scandal for the faithful. In doing so, she separated from the path of this people and from the Church of the Universe. The consequences of this choice will be serious and inevitable.*”

**changed, and your humanity is caught in the grip of a pandemic<sup>11</sup> and the resulting economic and social crises, which affect entire continents and nations.**

**Humanity is suffering, but it will not convert.** Most people do not remember that they have a Father in Me, who could save them and place them back on the right path. On the contrary, people blaspheme and turn to false gods to obtain liberation from the adversities that torment them.

**Nevertheless, I must tell you that there is no salvation without conversion. I could solve all problems in a moment if most of your humanity repented of its many sins and implored My help. Yet, all this is not taking place;** on the contrary, most of you are drifting further and further away from Me. I let men live according to their choices because I have created them free, and I respect their freedom. **However, the consequences are visible, and the time to come will be even harder for the inhabitants of the Earth.**

**Lucifer exploits your weakness; he rejoices about your rebellion against Me and inflicts ever more violent blows on you. The Earth is largely dominated by perverse and faithless men, friends of the devil. Many little dictators are preparing the way for the global dictatorship of the Antichrist, who will have to subdue the Earth in order to hand it over to Lucifer in exchange for great rewards. One single man in power, the Antichrist, to dominate the Earth, supported by the False Prophet and many other antichrists and false prophets who work tirelessly for Lucifer, always with the expectation of great profit. One global government; one religion that sums up all; one way of thinking; one god: Lucifer. Humanity will have to surrender, whether it likes it or not.**

**You are already living in a kind of dictatorship, which you cannot escape because you have neither the strength nor the means to do so.**

---

<sup>11</sup> He refers to the pandemic of Covid-19, afflicting the Earth since the beginning of 2020.

**Many of you have understood that, but you cannot see the reality as it is. In fact, a much more terrible dictatorship exists, which escapes your eyes, but is weighing heavily on you: the dictatorship of ESOTERICISM AND OCCULTISM.<sup>12</sup> The Earth is saturated with the presence of infernal forces, which are continuously and systematically evoked by some in order to obtain powers and privileges; others do it out of curiosity and still others seek entertainment and exciting experiences.**

**All this draws demons and all kinds of damned spirits to your planet, which desire nothing but to cause harm. Lucifer is very pleased about this and makes use of them** since he has power over of the infernal spirits; their action contributes to the consolidation of his power on Earth. Thus, humanity is sinking into ever deeper suffering; your planet is the most infested with evil of the whole Universe.

**Lucifer's plans are evil and destructive, but I have other plans for the humanity of the whole Universe. I have the power and the means to carry them out and I will do it. I will start from the Earth, where I will send My Son, Jesus Christ, once again, in the power of the Holy Spirit, to visit My people. Jesus will act powerfully in the Church of the whole Universe present on Earth to which you belong.**

**Those who want to belong to the *Church of Jesus Christ of the Universe* on Earth, not in words but in deeds, and are ready to love and serve in Jesus' name; those who decide to consecrate their lives to the service of the Most Holy Trinity, through the Immaculate Heart of Mary, to live with integrity and in communion with the faithful brothers and sister of the Universe, will feel, as never before, the living presence of Jesus and His powerful action within them.**

---

<sup>12</sup> Esotericism is a set of doctrines and secret rites intended for a small number of initiated persons. Occultism is a complex of doctrines, rites and practices which aim to come into contact with occult and mysterious forces with the purpose of obtaining advantages. Occultism includes white and black magic, Spiritism etc.

Jesus will strengthen everyone and the Holy Spirit will instruct you for a mission that will become increasingly visible and penetrating. The presence of My Son will repel the action of evil from My people, and the Earth will begin to feel a beneficial action through this Church, whose fruits will pour upon the whole Universe.

**My dear Children, you have decided to renew your solemn consecration to the Most Holy Trinity this year. This is a fundamental event for the whole of humanity of the Universe, and it is what I have expected of you as a sign of your faithfulness. Therefore, from your consecration onwards, Jesus will be among you, and a completely new phase of your path will begin. Be ready to welcome His living presence and to be obedient to Him and to the Holy Spirit through Mary Most Holy.**

**The presence of My Son on Earth will have great repercussions on your humanity because good and evil will have to come out in the open. Know that I have long prepared men and women for these times and times to come; they are people with integrity who desire to love.** Jesus will awaken the consciences of these righteous and direct them towards the true Church. The Holy Spirit will help them discern between the truth of God and the deception of the devil. **Help them with your prayers and the offering of your lives, as they need spiritual communion with this Church in order to understand all this and to move forward in their mission.**

**These righteous people will be inserted into all working systems on Earth: in politics, economy, finance, science and medicine, in the various religions and in every area of life on Earth. With their presence and their thoughts, they will confuse the plans of the wicked because Jesus and the Holy Spirit will act in them.** They will be particularly protected by Mary Most Holy. Lucifer will not be able to identify them as they will go unnoticed, but they will be a thorn in the side of the Evil One and His followers. With their presence, they will destabilise the systems and blow them up because they have the Trinitarian power in them. **If you watch carefully, you will see the**

**plans of the wicked expand excessively and then rapidly collapse. The presence of these children of God will have the effect of a needle on an inflated balloon, causing the infernal projects to implode.**

**Jesus has always been among His people. He is the Emmanuel, the God with you. But His INTERMEDIATE COMING of which I speak, will be something very particular because the faithful people will experience His closeness as if Jesus were present in flesh and blood, whereas the rebellious men will not notice anything. This will last until the glorious coming of My Son will be visible to the eyes of the entire humanity of the Universe, at the time set by Me. However, then it will be too late for those who have refused Him; there will be no more time to repent. I ask you, therefore, to pray intensively for the conversion of the sinners; for those who still have a little bit of good will, before the final judgment comes.**

**Time runs fast, children of Mine, but I will still give the possibility to be saved to those who desire it. For the merits of My Son, of His Immaculate Mother and all saints, I will still have patience with your humanity, but I will not allow the wicked to take possession of the Earth. This planet is of crucial importance in the history of salvation; here the fate of the whole Universe is at stake. Be aware of this and be committed to your path of holiness and to your testimony.**

**I ask you to remain faithful to Me through My Son Jesus and to be open to the Holy Spirit. Remain closely united with the Immaculate Heart of Mary as She will guarantee your protection. Remain in communion with the Church of the whole Universe, because there will be your strength.**

**Times will be dark and you will not lack trials, but united with God, you will overcome everything and help many others to win the battle of life. Move forward, day by day, step by step, with confidence and filial abandonment on the path towards the new creation. I promised you new heavens and a new Earth, and My promises are true and sure. You will have the new creation if you are able to prepare it and**

**wait for it with faith, hope and love. Do not be afraid of anything: you will be helped, protected and blessed at all times.**

**Do not be upset by the alarming events that will happen in the world, but keep your eyes on My omnipotence and My goodness as Father.** It is not your task to change the world but that of the Most Holy Trinity. Your task is to change yourselves and help the others change in order to be in harmony with My laws and My thoughts. **Thus, you will be a new humanity. The Earth will flourish again and with it the whole Universe. This will be the fruit of your alliance with Me, sealed with My Son's Blood and confirmed by the Holy Spirit.**

I bless you with My fatherly Love; in the name of the Father, and of the Son, and of the Holy Spirit.”

Jesus is here even though you do not see Him with your eyes. His star is shining more than ever in the Church of the whole Universe and will guide you towards the new times. I will be with you as Mother, Queen and Co-Redemptrix to help you feel Jesus' living and salvific presence and to transmit His peace to the world because I am the Queen of Peace.

**Today I ask you to become more and more aware of your mission in these extraordinary times of the INTERMEDIARY COMING OF JESUS among His people. May your souls be a water source in the desert for humanity so that it may quench its thirst of love and life.

**Jesus is here in your midst. His living presence must revive your lives. Jesus is here to transform your thoughts, to indicate new paths for you to walk and to bring the world the saving Word.** You are the missionaries of these times; you are the spring of the Earth; the bud of the new humanity, destined to grow and bear fruit. transform you. **Endeavour not to disappoint the One who has created you and trusts in you. Do not disappoint My Son's Heart nor Mine. I know that I can count on you.**

**The noise of the enemies is increasing day by day. Your planet is saturated with quarrels and wars, with empty words and superficiality. Lucifer and his demons sink their claws into those who do nothing to change their lives and let themselves be carried away by the events. However, Jesus is here among you. He has come down to Earth once again in favour of the whole Universe to prepare the people of God for His second coming, which will put an end to time and history as you have known them until now. He will stay with you for as long as the Father wills. If you are attentive and vigilant in prayer, you will feel His presence more and more intensively.**

**Jesus is here even though you do not see Him with your eyes. His star is shining more than ever in the Church of the whole Universe and will guide you towards the new times. ## 18 March 2021, Message of St. Joseph, Vigil of the Solemnity of St. Joseph

If you want to become new creatures, you have to unite with Jesus and Mary as I did. Jesus could not be born without Mary, but He could not die without Mary either. He needed the participation of an immaculate creature who would take part, in the name of all humanity, in the suffering of the Cross and the glory of the Resurrection to prepare the path for a new humanity. No one else could have done this except the One who had given Him everything and who belonged entirely to Him.

### Mary, the New Woman

“Dearest Children,

**I turn to you like a loving father. The children of Jesus and Mary are all my children. I watch over you and the whole Church of the Universe as I watched over the family of Nazareth.**

**The family of Nazareth must truly be an example of authentic communion in God for you. It was the first cell of the Church of the whole Universe.** It was formed in view of Jesus’ coming; it lived for Him and followed the stages of His life; it was prepared and instructed by Jesus. I am a testimony of this because my life and my mission are inseparably bound to the life and mission of Mary and Jesus. Not even my premature death could separate me from them. My spirit continued and will continue to work together with Mary and Jesus for eternity.

**I chose Mary as my spouse for the splendour and purity of Her soul. Her inner beauty was shining on Her face and emanated from Her whole person.** She was a beautiful young woman with a transparent look of infinite goodness. Many wanted to marry Her, but She chose me as I chose Her. My choice and Hers were guided by the Holy Spirit in view of our extraordinary mission. At that time, I did not understand

that. Like every true Israelite, I simply wanted to build an honest and faithful family with Mary and give children to God and our people.

**Then, as you know, after the Annunciation of the Archangel Gabriel, everything changed in our life.** Mary had accepted Her mission, welcoming in Her womb the Son of God, and now God was turning to me. **My first reaction was one of bewilderment and fear; the burden was too great to bear and I was determined to leave Maria to her fate.** I never doubted about Her sincerity because I knew that She was too pure and honest to deceive anyone. Rather, I was scared of what was being asked of me and Mary knew it: to be the guardian of the Mother and the Son of God.

**You know very little of the phase that preceded Jesus' birth except what the Gospel briefly reports. I tell you that the Archangel Gabriel explained to Mary very well what awaited Her.** He had also revealed to Her that I had been chosen to be Her spouse and to protect Her and Her Son, the Son of our God. That was too much for me, and I imagined the people's comments and the shame that covered a woman who had become pregnant before the wedding. **Yet, God never asks us to carry out a task without giving us the grace at the moment of conception; the bigger the mission, the stronger the grace. I had said 'Yes' to my mission even before I was born and God's grace awakened my 'Yes', as happens to everyone who has decided at conception to love and serve the true God.**

As you know from the Gospel, an angel visited me in a dream. **It was the Archangel Gabriel, who protected and accompanied Mary and me for our whole life and served Jesus in His earthly mission.** He did not only visit me in a dream, but appeared in many other occasions to help Mary and me to overcome difficulties and protect us in the persecutions we had to suffer.

**As Jesus was growing up, the Archangels continuously visited our house to adore the Son of God and to visit the first cell of His Church.** The brothers and sister faithful to God also visited us many times, showing us their great love. That small and modest house in Nazareth

was a true sanctuary of Heaven. **However, our life was not easy: God did not spare us trials and persecutions, nor the difficulties of being poor. However, He never left us without Providence because God never abandons those who trust in Him.**

**Mary and I knew that, one day, Jesus would leave for His public mission, and we also knew what awaited Him.** During the years He spent with us, Jesus spoke to us about what He would have to suffer; **He predicted His death and resurrection several times.** My heart trembled and ached at the thought of the pain that would befall the two of us, and especially that child, whom we loved more than our own life.

**For this reason, God called me to Him long before Jesus' Passion, shortly after the beginning of His public life. I passed away in the peace of God,** assisted by Jesus and Mary. In His infinite goodness, God the Father wanted to spare me suffering that I could not have endured, allowing me to be present in spirit beside Jesus and Mary in the stages of their life on Earth. **On the Calvary, my spirit was beside the dying Jesus and beside Mary, who was suffering with Him. Therefore, God has entrusted to me the dying, whom I never abandon in their agony.**

**Mary, on the other hand, always remained close to Jesus. She was destined to become the Mother and Co-Redemptrix of humanity and to be the Queen of the Universe. This, too, had been explained to us by Jesus Himself and by the Archangels.** Mary had accepted that mission from Her conception. After my death, She often followed Jesus in His journeys; She lived among the Apostles and the men and women who were disciples of Her Son. She fully absorbed Jesus' teachings and became increasingly strong as the terrible days of the Passion drew near.

**As I have already told you, the family of Nazareth was the first cell of the Church of Jesus Christ of the whole Universe.**<sup>19</sup> Jesus was in the

centre as King, Saviour and High Priest of the new Alliance. Mary was Mother and Queen; the Co-Redemptrix destined to participate fully in the Sacrifice of the Son. I was their people and carried within me the faith of Israel and the faith of the new people who would be born of the Sacrifice of the Cross. Day by day, the old Israelite died in me to make way for the redeemed Christian.

**God was transforming me. Everything in me and around me was a great mystery:** my putative Son was also my God and my Saviour. My earthly spouse would one day be my Mother, my Queen and my Co-Redemptrix, as for all humanity to which I also belonged. **I paved the way for you because I fully welcomed Jesus' Redemption and Mary's Co-Redemption. For this reason, God called me to be the guardian of His Church of the Universe as I had been for the Holy Family, the little Church of Nazareth.**

**If you want to become new creatures, you have to unite with Jesus and Mary as I did. Jesus could not be born without Mary, but He could not die without Mary either. He needed the participation of an immaculate creature who would take part, in the name of all humanity, in the suffering of the Cross and the glory of the Resurrection to prepare the path for a new humanity. No one else could have done this except the One who had given Him everything and who belonged entirely to Him.**

**Mary's participation in the Sacrifice of the Cross was of such intensity as to make the bond between the Mother and the Son, the King and the Queen, the Redeemer and the Co-Redemptrix, indissoluble for eternity. This bond is not only emotional, that is, in the natural order, but also spiritual and mystical, that is, in the order of grace. The immaculate and sublime love, which unites Jesus and Mary, continuously generates the children of God who welcome and venerate Mary and recognise Her prerogatives as divine Mother, Queen and Co-Redemptrix.**

**The Sacrifice of Christ and the participation of Mary continuously nurture and strengthen the Church of the whole Universe. Whoever**

**welcomes Mary welcomes Jesus, and whoever welcomes Jesus cannot but welcome Mary, since only through Her one can participate fully in the Sacrifice of Christ. Without that participation, it is impossible to define oneself as Christian.** Mary belongs to Jesus as Jesus belongs to Mary. This is a great mystery that can only be understood by those who welcome Mary and recognise Her great work as Co-Redemptrix. **It is this work that made Her the Mother of Humanity and the Queen of the Universe.**

**Dear children, remain always united with Mary's Heart and your path will be safe.** The time you are living in, is the time of the **INTERMEDIATE COMING OF JESUS.** It is a precious time for you. He is acting powerfully to support and strengthen His people and prepare them for His glorious coming at the end of times.

**Mary is at His side, and with Her maternal love She generates you to the life of God, directs you towards Jesus and leads you to know Him better and better. She is the Spouse of the Holy Spirit and acts with Him to take you to Jesus. The Father is pleased with His beloved Daughter, and He concedes many graces through Her.**

**Children, always remain in harmony with the will of God, and let yourselves be carried gently by Mary to the embrace of the Most Holy Trinity. Contemplate the work of Jesus and Mary in you as I did.** Now, your house is truly much bigger than the house in Nazareth: it is the Universe, and your family is the immense people of God that lives in it. **Mary is no longer the humble woman of Israel who lived Her everyday life; She is the Mother of Humanity who welcomes you with love. She is the Co-Redemptrix who incessantly intercedes for you and obtains mercy and peace for you in virtue of the Passion that She shared with Her Son. She is the Queen of the Universe who wants you to participate in His glory. Above all, She is the New Woman who generates you so that you become children of the new humanity.**

I am always by your side, and I bless you in the name of the Father, and of the Son, and of the Holy Spirit."

## **24 March 2021, Message of Mary Most Holy, Vigil of the Solemnity of the Annunciation**

Today, the whole Church of Jesus Christ of the Universe is called to a truly great commitment both here on Earth and on the other planets: to manifest the victory of My Son over death and Hades. This must particularly take place on your planet through you, who have decided to live according to the programmes that have been revealed to you in these years. These programmes apply to all those who sincerely wish to belong to Jesus through My Heart.

### **Like Grains of Wheat**

“Dearest Children,

**Here we are together again, in these days of preparation for the great Solemnities of the Easter season. Today more than ever, you have to be aware of what it means to die and be resurrected with Jesus.** In fact, the true mission of the people of God does not consist in proclaiming with words that Jesus died and resurrected, but in witnessing that His death and resurrection are real facts that have taken place in each one of you and in the whole people.

**Today, the whole Church of Jesus Christ of the Universe is called to a truly great commitment both here on Earth and on the other planets: to manifest the victory of My Son over death and Hades. This must particularly take place on your planet through you, who have decided to live according to the programmes that have been revealed to you in these years. These programmes apply to all those who sincerely wish to belong to Jesus through My Heart.**

My children, I invite you to immerse yourselves completely in the Sacrifice of My Son through Me, to be co-redeemers with Me, who am the Co-Redemptrix. **I ask you to live Holy Easter not only as a memory**

of the events but also as an authentic memorial, which actualises those events in you, making them alive and working today in this historical moment that the Earth is going through.

I ask you to be grains of wheat that die to produce a lot of grain. Jesus said: *“Unless a grain of wheat falls into the ground and dies, it remains alone. But if it dies, it produces a lot of grain”* (John 12,24 NIV).

Jesus founded His Church of the whole Universe on Earth; He hid it in the depth of history like a grain of wheat in the ground. In this depth, He waited for His Church to die to all selfishness and to overcome the trials and persecutions that occurred over the centuries. Gradually, she has matured and sprouted like a seedling, and now she is getting stronger and stronger to become wheat that will nourish all of humanity.

Now, you are visible on Earth as the Church of the whole Universe, but that is not enough. You are still like tender young plants, and Jesus is here among you in this INTERMEDIATE COMING to strengthen you so that you may become mature wheat, ready for His barns. He continues to plant more grains of wheat in the depth of the Earth. He entrusts them to you, to His Church, so that you may help them grow and become bread of life; but you will not be able to help anyone unless you first die to yourselves.

Children, many still welcome these programmes in a superficial way. They use them to survive, to fill their minds with a few more revelations, to make some nice quotations or to experience new emotions; however, that is certainly not what God expects from His Church. These programmes must either be fully accepted or not accepted at all; one cannot accept one part and reject another. In order to serve God in His true Church, you have to be ready to die to yourselves and live according to God’s laws, which overturn the scale of values of the world. According to those laws, whoever wants to enrich himself must become poor; whoever wants to gain must be willing to lose; whoever wants to live must accept to die to pass from death to life with Jesus; the true life that the world cannot give you.

For this reason, the world hates you: because you seek the life of God and do not appreciate worldly life, which is full of material things but poor of spirit. **You know very well that neither money, nor pleasure, nor power, nor superficial emotions will be able to heal humanity, but only the acceptance of Christian values that derive from the divine laws that the Father has imprinted in your spirit.**<sup>20</sup> **Jesus completes it and the Holy Spirit confirms it; however, this can only occur in those who accept to pass from death to life with Jesus, through their death.**

**I am not speaking about death in a physical sense, nor do I refer to bloody martyrdom: I am speaking of a subtle death, which takes place in your daily life when you are called to choose between God's truth and falsehood, between seduction and integrity, which accepts no compromises. The Christian dies to himself when he allows My Son to live in him and to direct his thoughts, words and works. No one can call himself a Christian if Christ does not live in him.**<sup>21</sup>

**Therefore, My children, I ask you once again to leave your intentions and your aspirations in My hands, however noble and legitimate they may be. I want to help you grow, but I can do it only if you leave My hands free,** accepting to give up all that you have built within you without God, which burdens and hurts you so much. Leave it all to Me so that I may offer it to the One who has the power to straighten out what is bent, to forgive you and to save you.

**Renounce any selfish prayers that focus on your personal problems. God knows your needs and wants to liberate you from unnecessary burdens more than you do so that you can serve Him. I also know your worries, and as Mother I take them into My Heart and protect you** because you are still delicate like newly sprouted seedlings, exposed to the elements. I often see you bow your head under the weight of the world, but do not worry as I am close to you to make strong ears of wheat out of you, capable of resisting any temptation.

---

<sup>20</sup> Mt 16,17; John 21,15-19

<sup>21</sup> See Gal 2,19-20

**Trust Me and never do anything on your own because Lucifer's hatred of My Son's Church is very strong in these times.**

**The Lord is here among you; He has come down to Earth again, albeit invisible to the eye, to fully realise what is written in the Gospel: *"His winnowing fork is in his hand, and he will clear his threshing floor, gathering his wheat into the barn and burning up the chaff with unquenchable fire"* (Mt 3,12).**

**Now, My Son's great work of purification begins, which will end with the universal judgment at the end of times. He wants His Church to support Him in this work. Therefore, you have to be the first to purify yourselves in order to be blameless instruments in His hands. Thus, let yourselves be shaped by Jesus, gradually, day by day, without fear but full of confidence that God's love will never hurt you but purify you so that you may shine with His Light.**

I am by your side to support you, and I bless you in the name of the Father, and of the Son, and of the Holy Spirit."

## 10 April 2021, Message of Jesus, Vigil of Divine Mercy Sunday

Therefore, live in the truth and make My work of Redemption alive and actual in order to become co-redeemers. You will not reach this if you do not immerse yourselves in My Sacrifice through My Mother. Remember that you will never be co-redeemers without the work of the Co-Redemptrix. Being co-redeemers is not a simple statement but the mission of each one of you and of My Church of the whole Universe. It is what makes you true, merciful disciples, bringers of life to the farthest ends of the Universe.

### Mercy is Truth

“Dearest Children,

After the Easter celebration, you are preparing for the Sunday of Divine Mercy and that is right. **In fact, after My Death and Resurrection, I appeared to the Apostles and the disciples to bring them the fruit of My Passion and Resurrection, that is, Mercy. Only by accepting to die and be resurrected for you, have I obtained mercy for you.**

**This is true for all of you. If you do not accept to enter fully into My Sacrifice through My Mother, the Co-Redemptrix, you can neither obtain nor give mercy. It is not enough to speak about mercy, to invoke it in a superficial way or to believe that it is due to you by virtue of My Sacrifice. That is not enough: you have to participate freely and sincerely in My work of Redemption, which makes you co-redeemers who deserve mercy and will give it to others.**

Without your participation in My Death and Resurrection, mercy remains an abstract, inconsistent, powerless concept. **However, if you accept to immerse yourselves, through the Co-Redemptrix, in My Passion, you may reach resurrection to live a new life as risen people. Then, the fruit of mercy will arise in you as the Father will see that My**

victorious passage from death to life is renewed in each one of you and in the people. Thus, He will grant mercy to you and, through you, to those who desire to be forgiven and want to convert, passing from death to life.

Many Christians on Earth have forgotten that they are lambs who immolate themselves with Me, the true Easter Lamb, for the life of the entire Universe. They have lost the meaning of the intimate union with Me. They have delegated all responsibility to Me: They think that I have done everything and that there is no need for other sacrifices. They think that all sins are automatically forgiven without any obligation; that My Mercy is a sponge that passes and erases all sins without distinction. I tell you that this is not true. **God's generosity does not mean that no commitment is required on your part; the gratuitousness of divine grace does not authorise you to be inactive and indifferent.**

Know that mercy is truth because I AM THE TRUTH. Truth makes everything clear, and it searches the depths of your heart; it brings out your limitations and sins and shows you the true life because I AM THE LIFE. If you accept My Truth and choose My Life, uniting fully with My Sacrifice through the Co-Redemptrix, My Mercy begins to act in you, forgiving you and showing you a new path to go, because I AM THE WAY.

The truth you have welcomed makes you free from the conditioning of the world.<sup>22</sup> It makes you instruments of mercy that liberate the part of humanity that wants a real change. Thus, through you, mercy will act in the world, but without truth there cannot be true mercy.

If you live immersed in My Death and Resurrection, you also become instruments of justice; not of human justice but of divine justice: you will become light that dispels darkness. Thus, your life and your work

---

<sup>22</sup> See John 8,32

**will draw strength from the truth and judge the life and the works of the world; however, without truth there cannot be true justice.**

**The mercy you celebrate tomorrow must incarnate in you. It must guide you towards true and sublime love because love is mercy. Those who have gained mercy cannot not be merciful; they cannot remain insensitive before the needs of those who are hungry, not only for bread for the body but also for the spirit. I expect generosity from My people towards those who seek life. Just as I have been generous with you, you shall be towards the poor of God, who are hungry and thirsty for mercy, justice and truth. The desert of the Earth must begin to flourish through you.**

**Therefore, live in the truth and make My work of Redemption alive and actual in order to become co-redeemers. You will not reach this if you do not immerse yourselves in My Sacrifice through My Mother. Remember that you will never be co-redeemers without the work of the Co-Redemptrix. Being co-redeemers is not a simple statement but the mission of each one of you and of My Church of the whole Universe. It is what makes you true, merciful disciples, bringers of life to the farthest ends of the Universe.**

**My Children, I am present among you. My INTERMEDIATE COMING to Earth is a gift of God, in this time, to the humanity of the whole Universe and not only to you. I have come to liberate My people from the fears and doubts that the devil is sowing with both hands. The humanity of the Low Universe is trapped in the cobweb woven by the forces of Evil, and that is especially evident on Earth. I am here in the power of the Holy Spirit to liberate and strengthen you; to show you the face of the Father so that you, too, show it to the others.**

**Take my hand and feel that I am close to you in every moment of your day and your life. If you surrender to Me without reservations and let Me act in you; you will feel My presence. Do not try to perceive Me through your reasoning, your superficial emotions and human efforts. Do not tire yourselves with empty supplications but let yourselves be shaped by the Holy Spirit. He will transmit to you the vibration of My**

**presence, which will be subtle but more and more powerful from day to day. It will envelope you with the fire of My Love, and you will become suitable instruments for this time.**

**Be meek and humble like My Mother, but also aware of My presence in you and among you.** Be My holy people; bring mercy and justice to the suffering humanity by living always in the truth.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

## **12 May 2021, Message of Mary Most Holy, Vigil of the apparitions of Our Lady of Fatima**

**The One and Triune God is drawing the conclusions of the last few years and will prepare new events for humanity. Only those who have sincerely decided to love and serve the true God through My Heart will see them. However, they will remain hidden to the lukewarm, the doubters, the adversaries of God, the liars, the swindlers, the murderers.** Those who have chosen God, will have God; those who have chosen Satan will have Satan. Those who have chosen nothing will have to hurry as time is running fast. God is knocking at the door of your hearts; He wants to give you what you need to live. **Hurry to open the door to Him before the devil, your true enemy, knocks at the door to bring you his gifts full of bitterness, anxiety and despair.**

### **Let My Heart Triumph in You**

“Dearest Children,

**Thank you for celebrating the anniversary of My apparitions in Fatima, which were very important events for the history of the Earth and the plan of salvation.<sup>23</sup>**

**When the Lord sent Me to Fatima, the situation of the humanity of the Earth was very serious:** the First World War covered the Earth in blood; hunger, poverty and disease prevailed everywhere. **Through My apparitions, I wanted to lead humanity back to God through My Immaculate Heart so that it would be saved according to God’s will; however, man’s heart was cold and insensitive. It was a heart of stone.**

---

<sup>23</sup> The *Church of Jesus Christ of the Universe* celebrates every year the anniversary of the apparitions of Fatima as a solemnity.

**The situation today is not very different from what it was at that time. Wars, hunger, material and spiritual poverty and disease, including the pandemic, which has been striking you for more than a year, are always present on Earth.<sup>24</sup> The heart of this humanity has not changed either: it is cold and hostile to God as always and now even more. In fact, the man of the Earth feels increasingly strong as he trusts in technology and artificial intelligence, which inflate him with pride and false certainties.**

**Now as then, I repeat to you that you will not win the battle against Evil without the One and Triune God. You will not be saved from the great dangers that threaten you if you do not submit to My Son Jesus through My Heart of Mother, Queen and Co-Redemptrix. Once again, I solemnly declare that you will not recover from your ills if you continue to stubbornly oppose the true God and His Laws.<sup>25</sup>**

**I tell you, Christians of the Earth, to place the Person of My Son, Jesus Christ, again at the centre of your lives, and not the image of Him that you have created in your mind.<sup>26</sup>** Many of you have distorted the image of God to transform it into your image and likeness whereas *you* should be in His image and likeness. Detach yourselves, once and for all, from your fixed ideas, fears and dependencies that make you prisoners of the world and leave you at the mercy of the devil.

**The pandemic, which is oppressing you, is the fruit of the corruption of a large part of humanity, of the action of Evil and the tepidness of too many Christians who surrender to the action of the evil one without fighting.** If they fight him, they do it in a superficial or fanatic way, which produces only divisions and contrasts. For some people on Earth, Christianity has become an ideology that must be defended by force; for others it is just one religion among many, to be lived in a

discreet and almost invisible way. **No, dear children, Christianity is the change of life, the resurrection. To be Christians means to let Christ reign in you and act in the world through you; the Christians give Jesus to the world, not themselves.**<sup>27</sup>

**In this time, you have prayed to God to put an end to the pandemic. Only few of you have wondered why God has allowed it.** I tell you that God has not wanted this disease, but He has allowed it to remind you to respect His Laws; to show you what happens when humanity turns away from Him, who is the source of life. **This difficult situation has awakened in the souls of good will the desire to change their life and the awareness that many things must also change in the world.**

**Many people have decided to change themselves for the better, precisely because of the pandemic. On the other hand, many others have cursed God and blamed Him for this disaster; others have even tried to deny the existence of this disease.** They have neither thought about nor decided to do anything to change their conduct and to improve the world. They are just waiting for the pandemic to end to throw themselves back into the pleasure and the vanity of the world, into business and profit. **The pandemic has divided your humanity even more between those who seek God and those who reject Him.** God has allowed this, too, because everything that is in the hearts of the people must come out more and more.<sup>28</sup> The pandemic will end when it has produced in the humanity of the Earth everything for which God allowed it.

**Nevertheless, the Father has not abandoned you despite your coldness, and He took pity on you once again. He listened to the prayers of the righteous and the saints, who have prayed for the Earth, here and in the whole Universe. He has welcomed My incessant prayers and collected all the tears I have shed for you in this time. The Father has intervened forcefully to remedy the situation of the Earth.**

---

<sup>27</sup> See Gal 2,19-20

<sup>28</sup> See Mk 4,22; Lk 8,17

**First of all, He welcomed and sanctified the sacrifice of many victims of the pandemic and the suffering of the dying and the ill.** Their sacrifice, raised to God by many priests of the Universe, was not in vain but became a true sacrifice of atonement and reconciliation.

**Then, He sent the brothers and sisters of the Universe faithful to Him to your aid.** For many months, your brothers have supported, even though invisibly, honest scientists and doctors of the Earth engaged in the research of a remedy against the virus that is decimating you. They have suggested many things to their spirit and visited your laboratories to prevent the vaccines from being altered or counterfeit. This is not the first time that the brothers and sisters of the High Universe have done that. God has sent them many times to rectify your mistakes and prevent great catastrophes.

**Now you have the remedy for the pandemic through the many vaccines that Providence has given you, and other remedies will come because God will not cease to guide the intelligence of man; He wants life to progress towards good. However, in the face of all this, how does a large part of the humanity of the Earth react? With ingratitude, as always.** Many, even among the Christians, think that the vaccines are Lucifer's work and do not accept them. Thus, they give the devil a power he does not have as it is God who directs history, not Lucifer. God has set a limit to the action of the demons; if it were not so, you would all have died by now.

**As terrible as the action of Lucifer and the demons may be; as great as their hatred towards humanity may be, God is God and no one can oppose Him. The devil is powerful but not omnipotent. Only One is Omnipotent. Always remember, Christians of the Earth, that because you are so frightened and your faith is so little you are no longer able to distinguish what comes from God from what comes from the devil.**

**In addition to all this, the Father has done something even greater for you: He has sent you Jesus. The INTERMEDIATE COMING OF JESUS in this time is the absolute guarantee that Lucifer must step back and that his plans are doomed to fail.** Jesus is here to give strength to His

Church of the Earth in favour of the whole Universe in order to protect and prepare His people for the events that will take place. I am also with you, and I accompany you on your path. The Holy Spirit prepares the ground in each one of you and in the people so that you are prepared to receive the seed of grace, which will be abundant for those who believe in these programmes.

**I tell you, who have decided to be part of the *Church of Jesus Christ of the Universe*: remain firm in your faith and in all that has been revealed to you.** God needs your faith, and you need it even more to cope with this demanding period of your history.

**The One and Triune God is drawing the conclusions of the last few years and will prepare new events for humanity. Only those who have sincerely decided to love and serve the true God through My Heart will see them. However, they will remain hidden to the lukewarm, the doubters, the adversaries of God, the liars, the swindlers, the murderers.**<sup>29</sup> Those who have chosen God, will have God; those who have chosen Satan will have Satan. Those who have chosen nothing will have to hurry as time is running fast. God is knocking at the door of your hearts; He wants to give you what you need to live. **Hurry to open the door to Him before the devil, your true enemy, knocks at the door to bring you his gifts full of bitterness, anxiety and despair.**

**In My apparitions in Fatima, I told you about the triumph of My Immaculate Heart, which is the triumph of God's life in all of you. My Heart triumphs in the hearts of all My children who love Me and welcome Me for what I truly am: Mother, Queen and Co-Redemptrix. Let My Heart triumph in you so that you may win every battle; without Me, victory will be difficult to achieve.**

**It is time for My Heart to triumph for the glory of God and His Church of the whole Universe; it is time for the flame of My Heart to flare up in the holy people of God and burn all falsehood. I have told you before**

---

<sup>29</sup> See 1Cor 6,9-10; Rev 21,8

**and I repeat today that I will use the power that God has given Me to be by My Son's side, who is present on Earth, for now in an invisible way. I will be with you on all the paths of good you decide to take. I will be there, and no one will be able to put Me aside anymore.**

The words I have said may seem harsh to you, but they are not: they arise from My immense love for you; the love of a Mother who is not resigned to seeing too many of Her children take paths with no return.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

## 22 May 2021, Message of the Holy Spirit, Vigil of the Solemnity of Pentecost

I solemnly announce to you that today a real countdown begins for the whole Universe and particularly for the Earth. The events are imminent and time will flow ever faster towards the epilogue of history, which will culminate in the glorious return of Jesus Christ that will be visible to everyone. Jesus will come to judge the humanity of all times, the living and the deceased, and to definitively separate the children of God from the children of Lucifer, the offspring of the Woman from the offspring of the serpent.

### One Body, One Spirit

“Dearest Children,

**You have reached an important stage because the Father is about to give a decisive turn to your history. This will not only affect your planet but also the whole Universe.** However, Earth is of strategic importance in God’s plans, as has widely been explained, because the final battle between the armies of God and those of Lucifer will take place on Earth. **The turning point I am talking about is JESUS’ INTERMEDIATE COMING to Earth, which is a clear signal to Lucifer and his fellows that their time is about to end.**

I solemnly announce to you that today a real countdown begins for the whole Universe and particularly for the Earth. The events are imminent and time will flow ever faster towards the epilogue of history, which will culminate in the glorious return of Jesus Christ that will be visible to everyone. Jesus will come to judge the humanity of all times, the living and the deceased, and to definitively separate the children of God from the children of Lucifer, the offspring of the Woman from the offspring of the serpent.

**Before all this takes place, you will still have to face a long and difficult battle against the forces of darkness. Therefore, Jesus is already present on Earth in spirit with special power to support you.** As you may see, the Earth is enveloped in a spiral of hatred, disease and violence; it is enchained in the sin of rebellion against God and His laws. **Lucifer inflates his people of darkness with pride, thirst for power and false securities, pushing more and more people towards the abyss of desolation.** Most of your leaders are perfectly integrated in the plots of the elites and only think of themselves and their advantage. The Confederation of the Light and the Illuminati<sup>30</sup> continue to act undisturbed under the illusion of creating a new universal order that will guarantee them money and power. **Those who pay the price are the most fragile, the poor and the underprivileged people, who cannot count on the help of anyone, except the few who still have a little charity in their hearts; but this is not enough to save humanity.**

**In order to face the army of Evil, which is powerful both on Earth and in the Low Universe<sup>31</sup>, an even stronger army is necessary. A people rooted in Jesus Christ, the only Saviour of humanity, present and operating in the whole Universe, is necessary;** a new people, capable of overcoming the limits and conditionings imposed by political, financial and religious systems, which work in the same way in the whole Universe albeit with slight differences. **This people exists, and it is the *Church of Jesus Christ of the Universe*, which many of you have already joined.**

**In this time, I particularly work together with Jesus to prepare you to face the struggle that awaits you. Mary Most Holy, My Spouse, is also present to protect the children of God; St. Joseph is by Her side. All**

**the extraordinary instruments, the Saints and the Church of the whole Universe are entirely committed to face and defeat Lucifer and prepare Jesus' coming.**

**What are the weapons the Church of the whole Universe will use to fight this battle? Neither cunning nor human strength, even less the tepid or fanatical religiosity of many Christians. The strongest weapon against the enemy will be the UNIVERSAL COMMUNION. The One and Triune God will not save you unilaterally, intervening from above with His power, because He wants to act in communion with His people. The communion of love, which unites God with His people of the whole Universe, does not exist between the servants of Lucifer: his people are divided and rebellious, animated by interests and greed and always ready to betray for their own advantage; Lucifer binds them to himself through terror, seduction and lie. God, on the other hand, unites you with Him through ties of love and leaves you free to decide for your destiny.**

**I invite you to choose without reservation the path of communion with God and the brothers and sisters of the whole Universe. Feel part of a Church that goes far beyond the Earth and offers you her help, which you can only receive if you are the first to be in communion with each other.**

**You need genuine communion among you, which is not based on human affections, attachments or sympathies but on the laws of God. I am here to remind you that true communion is the fruit of the union of your spirit with God and with those who welcome, love and follow Jesus Christ, not in words but through the offering of your life to Him. Communion is not based on many words or on human passions: it is not nourished by ill affectivity or heroic gestures, which arise from emotions rather than from the power of the spirit.**

**True communion is based on faith, hope and love that pour from Christ's Heart. The Sacrifice of the Cross, which you renew in your Eucharistic celebrations, gives life to the people of God. Only if you participate in Christ's Sacrifice in a worthy and sincere way, through**

**the Immaculate Heart of Mary, the Co-Redemptrix, can I descend upon you and effuse on each of you and the whole people My seven gifts. They do not make you more powerful but more humble and more ready to do the will of God.**

**When Jesus' Sacrifice is united with your humble and trustful faith and My action as Sanctifier, I imprint My gifts in you, which produce the fruit of grace and true love. Thus, the Father unites you more and more with Jesus; then, in Jesus' Name, He sends Me again to you, and I strengthen your faith more and more, increasing in you the presence of grace. This process is renewed in you day by day through your 'Yes' to the Father, through Jesus Christ, through My incessant action as Sanctifier and through the living presence of Mary Most Holy, Mother, Queen and Co-Redemptrix, who intercedes for you.**

**Only in this way, will you reach true communion with your neighbours.** However, if your participation in Christ's Sacrifice is weak, your love will cool down and the relationship with God and your neighbour will become superficial, emotional and sentimental, deprived of My strength; communion will remain an empty word and produce no effect.

**Now more than ever, the people of God are called to fully live the universal communion along with all the members of the Church of Jesus Christ of the Universe in order to form a compact army, capable of facing the people of darkness. Therefore, I invite you to seek more and more the communion in faith with the brothers and sisters, creating as many opportunities as possible for a sincere and fraternal exchange of love, faith and hope.**

**Each of your House-Sanctuaries has to be a place to turn to for those nuclei of people who have come together to follow these programmes.** It has to be a meeting place for fraternal exchange and spiritual growth, open to everyone who wants to join this path, full of sublime charity towards those who suffer because elsewhere they find neither guidance nor comfort in their journey of faith.

**Each nucleus should feel spiritually united with the other nuclei and avoid isolation.** If distances allow it, there should be a periodic exchange between the closest nuclei. The nuclei that have the possibility to do so, should accompany people who are alone, sick or unable to form a nucleus with offerings and prayers, visiting and supporting them as best they can. In this way, you will carry on these programmes and the people will grow stronger. **Those who cannot join a nucleus may unite in spirit with your House-Sanctuaries and other nuclei; they must not feel useless or abandoned. All of you are important, and all of you can contribute to the universal communion where you are and as you can.**

**Feel united with those who, in other parts of the Universe, live the same faith in Christ and work for the glory of the Most Holy Trinity.** The time will come when you will meet and embrace each other in Christ; for now, live the relationship with the brothers and sisters of the Universe with faith; count on their prayers for you and pray for them, too. Thus, communion will be a cosmic power, which will give the people of God the certainty of the final victory.

**No one should feel isolated because when you are united with Christ, all of you form one body and one spirit, one indivisible Church present in the whole Universe.**<sup>32</sup> I will accompany you on your path and protect you from evil. I only ask you to be faithful to these programmes, which have been revealed to you and will become ever clearer to you inwardly. **Time is getting short, My children, and it is necessary to proceed with determination on the path you have undertaken, without compromise or useless hesitation.** I do not expect you to be perfect, as I know your weakness; I ask you to be faithful, honest and sincere. I promise you that you will receive light in every difficulty because **I will be your Light.**

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

## 5 June 2021, Message of God the Father, Eve of the Solemnity of the Most Holy Body and Blood of Christ – Corpus Christi<sup>33</sup>

The communion of the members of My only true Church of the whole Universe is destined to grow and become more and more visible. You are called to feel in communion with all your brothers and sisters. **When you contact each other and get together – physically, in spirit or with the help of the means technology provides today – a spiritual dimension is created, which I define as a *village of the spirit*. This is a place of spiritual encounter, where the Trinitarian Love circulates and binds you to each other.** This is not a fantasy as the realities of the spirit are not virtual images but concrete realities, which bear equally concrete fruits for those who have faith.

### Villages of the Spirit

“Dearest Children,

**I am coming to you on the eve of this great Solemnity, in which you venerate the Body and Blood of My Son, Jesus Christ. You are not yet fully aware of the greatness of the Eucharist, the living presence of Jesus among you.** It is a treasure that has been entrusted to you and flows out of My Love for you, from the Sacrifice of My Son and the action of the Holy Spirit. Without the Eucharistic presence of Jesus, the Earth could not have resisted to the relentless and perverse work of Lucifer and his fellows, who have always acted on Earth.

**The Host you receive during the Eucharistic Celebration is neither a symbol nor a memory: it is a great and terrible reality because it contains the Body, Blood, Soul and Divinity of Jesus, true God and true Man. It contains the Trinitarian power and the primary energy that you need to live. Every time you receive the Body and Blood of**

<sup>33</sup> In Italy, this Solemnity is celebrated on the second Sunday after Pentecost. (TN)

**Jesus, you are given what you need at the very moment and at the point of the path where you are, like the manna in the desert that was given day by day, “just as much as everyone of them needed.”<sup>34</sup>**

**The Bread of Heaven that My Son gives you is true nourishment for spirit, soul and body because the primary energy it holds within supports your spiritual and physical life, strengthens spirit and soul and heals the body as the first Christians knew very well, who were healed from disease by simply looking at the Most Holy Sacrament. Unfortunately, over the millennia, the love for the Eucharistic Jesus has greatly cooled down among the Christians of the Earth, many of whom no longer believe in Jesus’ presence in the Eucharist. Moreover, there is the coldness of many priests and the distracted participation of many people. All this has progressively transformed the Eucharistic Celebration from memorial to rite, creating habit and dependence. Therefore, today many Christians feel uncomfortable during arid and hasty Eucharistic Celebrations; they have a feeling of emptiness and many have stopped going to Church.<sup>35</sup>**

**It is time for the Church of the whole Universe, present on Earth, to testify that the Eucharistic presence of Jesus is the centre of her life and work. This presence is no different from that in flesh and blood that manifests itself on the faithful planets when Jesus visits them.**

I want you to enter more and more in communion with Jesus through His Eucharistic presence and honour and venerate His Body and Blood. I know that many of you cannot participate daily in the Eucharistic Celebration for various reasons, also because you are not well-liked in Catholic churches for following this path.

**Despite these difficulties, know that you never remain without grace. First of all, I have sent Jesus to Earth once again in His INTERMEDIATE COMING to act in the power of the Holy Spirit in order to nurture and strengthen all those who sincerely desire to belong to the Most Holy**

<sup>34</sup> See Ex 16,11-22

<sup>35</sup> See 1Cor 11,17-34

**Trinity.** The power of this action works at every time and in every place you are. For your part, you must be willing to live as you have learned over the years: with integrity, offering yourselves to God in communion with the Church of the whole Universe, through Mary's Immaculate Heart, ready to renew every day your adherence to the path and the programmes of the Church of the whole Universe.

**Moreover, the seven great Archangels, the priests of the Central Nucleus and the priests of the Church of the whole Universe incessantly consecrate the people of God and offer them to Jesus in the Holy Spirit. Jesus, the High Priest, offers them to Me on the altar of Heaven. This generates powerful grace that pours on those who join this path in the whole Universe, even on those who cannot physically participate in the Eucharistic Celebration on Earth.**

**Besides all this, there is another very important means that elevates and strengthens your Christian life: fraternal communion, which is a state of grace and the most sublime manifestation of the Christian people.** It includes the communion with the brothers and sisters of the Universe; you do not see them, but they exist and, one day, you will meet them. It also includes the communion with the brothers and sisters of the Earth, who share the path and the programmes of the Church of the whole Universe, and the communion of all people of good will, who are not yet part of this Church but are walking their path and need to be supported.

**The true Christian communion, of which I speak, not the one that pretends to be one, does not arise from a human will but is My Gift. It is the fruit of Jesus' Sacrifice, of the incessant action of the Holy Spirit and the work of Mary, the Co-Redemptrix, who prays and offers Herself for you, prostrated before the altar of Heaven. To this, your personal and joint 'Yes' to God is added, allowing you to welcome the**

**gift of fraternal communion and to make it grow more and more among you.<sup>36</sup>**

**Your daily renewed ‘Yes’ strengthens the fraternal bond that unites you and makes you become witnesses of Christ, who wanted to become your brother and called you to love one another as He loved you.<sup>37</sup> In mutual love, you grow day by day and help each other along the path, especially when it gets more difficult and exhausting. Jesus continues to nurture you with His Body and Blood so that your communion may strengthen more and more, for it is in the Eucharistic Celebration that the true Church is formed; not in a hasty rite but in an authentic memorial, which renews for you, in you and among you the Sacrifice of the Immolated Lamb.**

**The communion of the members of My only true Church of the whole Universe is destined to grow and become more and more visible. You are called to feel in communion with all your brothers and sisters. When you contact each other and get together – physically, in spirit or with the help of the means technology provides today – a spiritual dimension is created, which I define as a *village of the spirit*. This is a place of spiritual encounter, where the Trinitarian Love circulates and binds you to each other. This is not a fantasy as the realities of the spirit are not virtual images but concrete realities, which bear equally concrete fruits for those who have faith.**

**I invite you to form these villages of the spirit, where you can meet in love and prayer, even if you do not meet very frequently, and where you will be sure to meet people who love you. The Holy Spirit will help you and give you inspiration on how to do it in the right way. Jesus will guide and accompany you on every step you take.**

**I ask the priests of this Church to offer these villages of the spirit, from now, on the altar so that they may arise and develop according to My will, nourished by the Body and Blood of My Son, in the power of the**

**Holy Spirit, through Mary's Immaculate Heart. I ask all of you to pray that the villages of the spirit become pulsating cells of the Mystical Body of Christ, which is My Church of the whole Universe.**

**The time will come when the villages of the spirit become villages made of houses, where the members of My Church will live and show the world a new way of living and dwelling.** Those will be holy places, safe from the evil and the corruption of the world. Times will come when it will be important for you to live as close to each other as possible to make your path easier and communion stronger. **However, this will not happen magically, nor will it come down from Heaven; it will be the fruit of the prayer, self-offering and good will of a people capable of living according to the thoughts of Christ.**

Therefore, set off on your path towards the villages of the spirit, and I will help you in every way. This is a great project that has always been in My Mind. For you, who have welcomed and believed in these programmes, it will be the first taste of the new creation. This is My Promise.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

## **24 June 2021, Message of Mary Most Holy, Eve of the anniversary of the apparitions of the Queen of Peace in Medjugorje**

This year, 2021, which is the fortieth year of My Apparitions in Medjugorje, the time of preparation ends, and the MESSIANIC TIME begins. It is a time of final choices for every one of you and for the entire humanity of the Universe; a time in which God wants to fulfil what He has decided from eternity. These forty years, in which you have gone through the desert of this Earth, have produced an extraordinary fruit in you and in those who have been faithful to God and Me: THE INTERMEDIATE COMING OF JESUS, of which I have already spoken.

### **Forty Years with Me in the Desert of this Earth**

“Dearest Children,

Forty years have passed since My Apparitions in Medjugorje began. You and I have walked this path together for forty years in the desert of this Earth, and I thank you for this.

**The Lord Almighty sent Me to you in that distant year, 1981, because the Earth was experiencing serious difficulties, and it was on the verge of a nuclear war. The Christians witnessed the shocking attack on Pope John Paul II. Wars and discord were present throughout your humanity. I presented Myself as the Queen of Peace to show you the path towards true peace: that of My Son Jesus, which is the only true peace. At that time, I announced to you that those would be My last apparitions on Earth because that was the decision of My Lord, who had entrusted Me with the task of guiding the Christianity of the Earth towards the new times.**

**In Medjugorje, a small village of simple and faithful people, I wanted to create an oasis of the spirit in the desert of the Earth, from where I**

wanted to speak to the Christians of all confessions, to the people of good will, and quench the thirst for God of many souls. That oasis would have expanded more and more if the parish priests and the pilgrims had adhered to My teachings with a humble and sincere heart and if the Catholic Church had respected and recognised My apparitions and My work.

My Apparitions have never been spectacular events to attract tourists, nor a privilege for a few chosen people, nor a set of messages to use for beautiful sermons and quotations. They have been My visible work on Earth. **I appeared because the Father sent Me to you, just as He had sent His Son, to help you overcome sin and to show you the secure path towards Jesus, for only in Him can you be saved.**

**In every apparition, I presented Myself as Mother to heal you with My love; as Queen of the Universe to remind you of your responsibilities as men and Christians; as Co-Redemptrix to act together with My Son, the Redeemer, in the power of the Holy Spirit, and thus snatch you from evil.**

**From the beginning, the apparitions of Medjugorje contained extraordinary power, intended for these times, which are the last. I do not want to repeat what I have already explained about My plan in Medjugorje.<sup>38</sup> I will only add that, in Medjugorje, I hoped to reveal before your eyes the dynamism of the Trinitarian action: the great mysteries of creation, the treasures of redemption and the path of holiness in order to enable you to become mature Christians, who are capable of facing the challenges of your times.**

**What is left of all this after forty years? The spiritual oasis of Medjugorje has not expanded whereas the desert of the Earth has expanded and now surrounds you on all sides. The desert is the**

**negation of life, and now existential emptiness is spreading on Earth.** Despite the good will and the holiness of many parishioners and pilgrims, Medjugorje has not shined as brightly as God wanted.

**The Catholic Church has never officially pronounced herself about My Apparitions. Many of her representatives have made fun of Me; they have confused simple people, discredited My work and persecuted those who believed.**

**God, however, did not stand idly by but chose a small remnant on Earth to whom He entrusted what He could not entrust to anyone else. He united them to the part of His people present in the whole Universe and established the *Church of Jesus Christ of the Universe*, to which many of you already belong. In this Church, God brought together the graces that many have rejected and the holiness of those who belong to Jesus Christ without hypocrisy. He decided that she should announce and testify to the work of God and the events of this time.**

**I have been particularly present in this Church. I have prepared her, just as I hoped to prepare the parish of Medjugorje. Nothing has been lost of what the Lord wanted to reveal to this humanity, and many things still have to be revealed to you.** The Lord is pleased about your faithfulness to Him, to Me and to His instruments who have accompanied you on this long journey. God has been generous with you, and you have to be generous with Him.

**Therefore, I ask you to be faithful to the revelations you have received in the past years.** They are not private revelations, granted to some people as a kind of privilege, because God does not grant personal privileges, and He does not favour anyone. Everything He gives is always meant for the growth of all of His people. **What you have received is part of a divine universal plan, which involves the humanities of all times and all planets. In this plan the identity and the mission of the Church of the whole Universe is outlined.**

***The plan to recapitulate the whole Universe in Christ, which has been explained to you in the past years, is unfolding before your eyes, and the action of the One and Triune God is becoming more and more intensive; nevertheless, the humanity of the Earth remains deaf and insensitive to God's calls.*** This is why it suffers, passing from one hard trial to another, because those who reject God's plans find themselves having to fight against Him; yet, no one can win a battle against God.

**This year, 2021, which is the fortieth year of My Apparitions in Medjugorje, the time of preparation ends, and the MESSIANIC TIME begins. It is a time of final choices for every one of you and for the entire humanity of the Universe; a time in which God wants to fulfil what He has decided from eternity. These forty years, in which you have gone through the desert of this Earth, have produced an extraordinary fruit in you and in those who have been faithful to God and Me: THE INTERMEDIATE COMING OF JESUS, of which I have already spoken.<sup>39</sup>**

**Jesus' presence in spirit on your planet holds incalculable power in favour of the whole Universe. It elevates and makes your spirit, soul and body vibrate.** You are not completely aware of what it means to be living witnesses of this extraordinary event, which is the **intermediate coming of Jesus.**

**He is here. His presence and action will be perceived more and more by His people, who love Him, and be the source of new life. Jesus' presence and action will also be felt by the people of darkness, but for them, it will be the announcement of the end, for Jesus has returned to annul Satan's projects.**

**Nothing will ever be the same again and you will see many things change on Earth if you have eyes to see.** Those who do not want to see anything and pretend nothing has happened so as not to change their

life, will remain blind and wander in the desert. **Therefore, I invite you to stand before God with sincerity and honesty so that His Light may open your eyes and you may welcome Jesus' presence and participate actively in His work. Do not let the Lord pass by without even noticing, as unfortunately many people, who are sunk into a sleep of death, will do.**

**Dear children, the time has come for Me to withdraw in order to accompany the people of God. From now on, I will no longer manifest Myself to the crowds, who first cheer Me and then forget Me. I will only walk with those who want to live in My Heart to serve the true Triune God.** I will help My faithful children to feel the living presence of Jesus; I will intercede for the Church of My Son of the whole Universe so that she increasingly strengthens in spirit, in witnessing and in works. She will make the desert bloom. **Through this Church, God's grace will descend on the whole of humanity. Thus, God's promises, sung by the prophets and announced by the saints of all ages, will finally be embodied in a new humanity.**

**I promise that I will be with you; I will never abandon you, and I will protect you. Always remember that you exclusively belong to the Most Holy Trinity, and thus no one will be able to stop your path.**

I bless you in the name of the Father, and of the Son, and of the Holy Spirit."

## 29 June 2021, Message of St. Peter the Apostle, Solemnity of Saints Peter and Paul, Apostles

In this time, the whole Church of Jesus Christ of the Universe is going through a period of great dynamism because JESUS' INTERMEDIATE COMING to Earth places all of us on a demanding and dynamic path. We Saints, who are already in God's Light, also participate in spirit in Jesus' action on Earth, rescuing people, as I have just said, but also supporting Jesus in opening the hearts of the people. We can, in fact, help people's hearts to open up to God and begin to bloom like flowers.

### Walk in the Footsteps of the Saints in Communion with Them

"Dearest Brothers and Sisters,

I greet you with the love of God and bring you His peace. Together with my brother, Paul, I would like to embrace all of you and thank this people for the path it has accomplished, for the trials it has overcome and for the faithfulness it has shown to God.

**You call us the apostles that God placed as the foundation of the Church<sup>40</sup>, and that is what we truly were: through our words, our writings and the blood we shed for Christ we contributed to build the Church that our Lord Jesus Christ had founded.** It is always He who accomplishes the work while we participate in it according to our openness to receive His Love and His Power.

**All of us Apostles and Saints of all times and all places left behind a trail of light, faith, hope and love, and you now have to walk in our footsteps. It is important for you to understand that the Saints in Heaven are not static, immobile pawns on the chessboard of eternity.**

---

<sup>40</sup> See Rev 21,14; Eph 2,19-21

**On the contrary, all of us – apostles, martyrs and prophets – are perpetually in motion because we are involved in the dynamism of the action of the Holy Spirit. We complete everything that the living and the deceased, who are in difficulty, cannot accomplish the way they would like. We help them and are with them in their struggle so that they may fulfil everything that God has entrusted to them.**

**Our intercessory prayer before God’s throne is continuous.** It must be comforting for you to know that you are not alone. Do not be afraid: God does not look at the results, but He looks at the good will, the commitment and the love you put into the work you do. **Wherever there is a person of good will who loves God and Jesus Christ, His Son, our prayers and our intercession is always present, and thus you are never abandoned.**

**In this time, the whole Church of Jesus Christ of the Universe is going through a period of great dynamism because JESUS’ INTERMEDIATE COMING to Earth places all of us on a demanding and dynamic path. We Saints, who are already in God’s Light, also participate in spirit in Jesus’ action on Earth, rescuing people, as I have just said, but also supporting Jesus in opening the hearts of the people. We can, in fact, help people’s hearts to open up to God and begin to bloom like flowers.**

**Therefore, I ask you to be very united with the Saints, especially with the Saint of the day, because on the days the Saints are celebrated, they receive particular power of intercession from God for all of you. In reality, every day thousands of Saints are celebrated in Heaven.** You only remember one or a few of them, but their remembrance includes all the others that no-one knows except God. Many Saints have remained anonymous both on Earth and in other parts of the Universe; nevertheless, all of them receive great power of intercession on that day, and they are very close to you.

**In addition to the Saints of the day, remember your patron Saints whose name you bear or whom you feel particularly close to you and you have chosen as your protectors. They continually intercede for**

**you, not only on the day you celebrate them. Finally, remember all Saints even those who are unknown because the whole Church of the Universe is in motion, and she is united more than ever to face the forces of Evil. Therefore, set out, as soon as possible, in the footsteps of the Saints.**

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

## 29 June 2021, Message of St. Paul the Apostle, Solemnity of Saints Peter and Paul, Apostles

You are already living in the time of the COSMIC PENTECOST. It has already begun, but it has strongly accelerated after the proclamation of the existence of the *Church of Jesus Christ of the Universe* on Earth, which you made in 2018. Your planet was the last to receive the announcement of the existence and the action of this Church. Therefore, the cosmic Pentecost is already in place and the Lord is proceeding with His powerful action. In the past years, this Pentecost has prepared JESUS' INTERMEDIATE COMING and now also prepares His glorious return at the end of times. When Christ gloriously returns, the Pentecost will be a truly great cosmic event, visible to everyone.

### You Are Already Living in the Cosmic Pentecost

“Dearest Brothers and Sisters,

**I would like to add that what really matters in the eyes of God is your love for Him.<sup>41</sup> You all know how I behaved towards Jesus' Church before my conversion: I persecuted my Christian brothers and had many of them imprisoned; I despised them. Nevertheless, the Lord called me to serve Him.<sup>42</sup> He considered my 'Yes' at the moment of conception, and He saw in advance the love that I would have for Him from that moment on: a strong and unshakable love.**

**Because I had previously persecuted the Lord, I definitely could not have turned back. I had experienced the consequences of persecuting Jesus<sup>43</sup>: it is like living in Hell, as happened to me when I was persecuting the Church. For this reason, my love for Jesus remained stable in me and I never withdrew from anything. I never denied the**

**Lord as Peter had done, because I had already denied Him before my conversion and I never did it again.**

**I ask all of you to have the same strong and generous love for Jesus. Love for Him is the only guarantee for you of a sincere love for the Father and also for the gift of the Holy Spirit. In fact, the Father only grants this gift to the true followers of Christ who love Him, welcome Him and recognise Him for what He is: the Lord of the Universe, the Son of the Most High. Seek to intensively cultivate your love for Jesus. Now is the time in which the Church must express this love in the whole Universe and especially on Earth where the false religions and the false Church do not manifest this love.**

**You have to hold up the banner of Christ:** not only His Cross and Resurrection but also that of your love for Him, which encourages you to go towards everything and everyone; which enables you to embrace friends and enemies and to help the suffering humanity to improve.<sup>44</sup>

**I pray for you together with all the Saints. As Peter has told you, we are all in action in this time. We communicate to your spirit the fruit of what we did and experienced while we were in the body. Thus, from spirit to spirit, the immense richness of God passes through the generations of Saints.**

**Do not think that communication between you and us only takes place when we speak to you as we are doing now: we communicate to your spirit all that the Lord allows us, even when you are not aware of it, when you sleep or are busy with your activities. We keep nourishing your spirit, transmitting to you our power and the experiences we made in the trials we had to overcome. Therefore, be united with us as we are united with you, and then the Church of the whole Universe will be invincible and shine as the true Spouse of Christ.**

## **7 August 2021, Message of the Father, Solemnity of God the Father**

This is also the **TIME OF THE SILENCE OF GOD**, of which My Son will speak to you. Silence does not mean that God will not speak anymore, but that He will speak in a different way; I will speak through My Son in the depth of your spirit. The Holy Spirit will make you hear Jesus' voice within you, and all those who said 'Yes' at the moment of conception will recognise and follow the voice of the Shepherd.

### **I Leave You in the Hands of My Son**

"Dearest Children,

**Thank you for being here once again in this very particular year for all of you and for all humanity. It is a year of transition towards the MESSIANIC TIME, which has already been announced to you and now has to reach its fullness.**<sup>45</sup>

**I have sent My Son to Earth once more as the Light of the world<sup>46</sup> so that His Light might shine in each one of you, in My people and over the whole Earth. The Light of My Son will also bring out the darkness, and a great battle will take place on this planet. It will be the beginning of a strong clash between light and darkness. This battle will end with the glorious coming of My Son at the end of times, or rather, with His glorious manifestation, because Jesus is already here among you. In this Messianic Time, the star of My Son Jesus must shine on this dark planet in favour of the whole Universe, which is waiting for salvation.**

---

<sup>45</sup> See Message of Mary Most Holy of 7 December 2020, "The Messianic Time"

<sup>46</sup> See John 8,12; John 9,5; John 12,46

This is also the **TIME OF THE SILENCE OF GOD**, of which My Son will speak to you. Silence does not mean that God will not speak anymore, but that He will speak in a different way; I will speak through My Son in the depth of your spirit.<sup>47</sup> The Holy Spirit will make you hear Jesus' voice within you, and all those who said 'Yes' at the moment of conception will recognise and follow the voice of the Shepherd.<sup>48</sup>

**The voice of the Shepherd must emerge; He is the only One who can take you to salvation. Therefore, do not be surprised when the voices of the prophets become quieter and fade until they almost disappear.** It is time for the true prophets to be silent because now the One who is the Word of God must speak. **On the contrary, the false prophets will come out, shout on the squares and attract to themselves all those who do not belong to Me because they refuse My Son Jesus. Also, many will come in Jesus' name, but they will not be sheep of His fold, and you must not follow them.**<sup>49</sup>

**Your path is clear and has been traced for a long time. It is time for all of you to go over what you have been told over the years and start living it.** The revelations you have received are no fairy-tales, nor nice words to comfort you: they are the path for this time.

**If you have overlooked something, have not understood something or have not put it into practice, this is the time to catch up.** Go over and seriously deepen this path together with your priests and those who are responsible for this people, **otherwise new things cannot reach you if you have not understood the old ones.**

---

<sup>47</sup> "The revelation that reaches Jesus' final stage is the realisation of the prophesy of the Old Testament, according to which, in the eschatological time [the final time], God cannot be known through teachings, but through direct experience. (See Isa 54, Jer 31,31-34). Verse John 6,46 repeats in part what is said in John 1,18 and tends to express the difference between the believer and the Son of Man, who is the only One who knows God perfectly. Because of this relationship, the revelatory Son is also the Mediator between men and God the Father." (From "Lezionario meditato" Vol VI, Page 391, published by EDB)

<sup>48</sup> See John 10,1-6

<sup>49</sup> See John 10,22-30; Luke 21,8

**In this time, the extraordinary instruments will withdraw; they will be beside My Son and follow Him wherever He goes; there will be many sheep to collect from numerous folds.<sup>50</sup>**

**Now is your time: this people must go out to testify to what they have received.** Even though you are not many, I have made you strong for a great testimony. Therefore, do not be afraid of going out and doing what is asked of you, because the humanity of the Earth is twisted around itself, and this pandemic will not end before My children have understood all that has to be understood.<sup>51</sup>

**Many other events will happen on this planet, and therefore you have to be ready.** I do not ask you to do great things but to put into practice what you have been told. Simple, concrete steps, full of love, and nothing more is asked of you.

**My Son is present on Earth to separate the light from the darkness, gather His people and strengthen each one of you. You must shine with His Light, otherwise all will be useless. For this reason, I ask you for a serious work of deepening and a greater understanding of your path.**

**It is time to take stock of your life because the judgment will begin from the House of the Father; remember that very well.<sup>52</sup>** My Son is here and your task is to feel His presence, experience it and testify to it. This poor humanity does not need anything else, because no one but My Son will be able to save it.

**With these words, I greet you and leave you in the hands of My Son. You will be given the indications you need in the right way and at the right time. However, do not expect Me to follow every step you do, as I have done so far, because now you are the ones who have to follow Me, and you will be able to do it by following My Son.**

---

<sup>50</sup> See John 10,16

<sup>51</sup> He refers to the Covid-19 pandemic, affecting the Earth since 2020.

<sup>52</sup> See 1Pet 4,17

**The people of God finally must know the Saviour, because many Christians of the Earth speak of Jesus Christ but only few truly know Him.** I want you to know My Son Jesus through a knowledge that is love, strength, blessing and testimony. The Holy Spirit will guide you. Thank you for all the work you have done and will do. I will always be by your side.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.”

## **14 August 2021, Message of Mary Most Holy, Vigil of the Solemnity of the Assumption of the Blessed Virgin Mary**

**I have told you everything. Now, all that remains for Me is to assure you that I will always be with you on all paths that lead you to God.** I will pray for you and offer Myself for you on the Heavenly Altar in the perennial Liturgy of the Church of the whole Universe. Thank you for all the steps you have taken with Me and for your faithfulness to God and Me. I am your Mother, your Queen and your Co-Redemptrix. **For you, who love Me, I will always be the North Star: in the sea of life, I will always show you the safest route towards Jesus.**

### **I Have Told You Everything**

“Dearest Children,

**I turn to the humanity and the Christians of the Earth, especially to those who belong to the *Church of Jesus Christ of the Universe*.**

**After the path I have walked with you in all these years, My long conversation with you ends here. Almighty God has decided that the time of My public manifestation to the humanity of the Earth has ended. I will withdraw into My own dimension, in the Most Holy Trinity, from where I will still continue to help and accompany you.**

Those among you who have walked in faith in the past years, must not be astounded nor afraid because every decision of God is always for the good of His children and involves the divine wisdom that fully knows the needs of every person and those of the entire humanity. **Even Jesus had to leave His apostles and disciples to allow them to receive the Holy Spirit and grow in faith so as to bear witness to His Gospel as mature and aware people<sup>53</sup>.** The same is true for you: you have grown

---

<sup>53</sup> See John 16,7

**and the Lord expects from you a testimony that is worthy of what you have received.**

**Now, the Holy Spirit must guide you in the depth of your path and decisively orientate you towards My Son.** You must be aware that the **INTERMEDIATE COMING OF JESUS to Earth is an extraordinary and epochal event for the whole Universe.** It marks the beginning of this **MESSIANIC TIME**, which is an **ESCHATOLOGICAL TIME**<sup>54</sup>, in which all promises of God must be fulfilled. It is a **TIME OF WAITING** for the glorious manifestation of Jesus at the end of times; however, not a passive and resigned waiting, but a joyful and fruitful one for those who have experienced and understood the union with Jesus in recent years.

**The Father has left the entire creation in the hands of the Son so that He may act in the power of the Holy Spirit to bring to completion the work of Redemption in every soul that welcomes Him and in His people.**<sup>55</sup> Therefore, this is a **TIME OF CONVERSION**, the last that God is granting to humanity to welcome Jesus Christ as Lord and Saviour. It will not be an unlimited time; therefore, do not think you can postpone indefinitely the decision to abandon your corrupted life and convert to the true Triune God.

**The intermediate coming of Jesus also marks the beginning of the last stage of the PLAN OF THE RECAPITULATION OF THE ENTIRE CREATION IN JESUS CHRIST, which has been widely explained to you in the past years.** You are in the final phase of this plan of cosmic importance, which will involve everyone and everything, whether they want it or not. Now, Jesus is here, alive and present in all His power, even though your eyes are unable to see Him because of your hardened hearts. **Jesus is here, walking again the streets of the world, seeking all lost sheep that let themselves be led to salvation. Do not leave Him alone, you who believe in Him, but accompany His work with your faith, your**

**prayer and the offering of your life to Him through My Heart. You have to have faith in His presence and in His work in this time. Only this faith will enable you to understand what will have to take place.**

**You have been told, and I will repeat it now, that the events that await you will be great and terrible: full of graces for those who believe in the true God but frightening for those who reject Him. Even those who have faith will experience trials, but they will receive strength from the Holy Spirit to overcome all difficulties, and they will draw fruit from every trial. Those who refuse God's help will experience very difficult times. Since most of this humanity does not welcome the true God, the Earth will be enveloped in a spiral of fear, and the peoples will be apprehensive of what will have to happen according to the words of My Son.<sup>56</sup>**

**Over the millennia, the men of the Earth received from God all instructions they needed to live as children of the only true God. The Gospel and the Holy Scriptures, the Magisterium of the true Church faithful to My Son, the authentic prophecies and the lives of the Saints have shown you how to behave according to the laws of God. The revelations and the explanations you have received through this website by two living members of the Central Nucleus<sup>57</sup> have opened a wide vision of the Universe and its destiny before your eyes. You have everything you need in this time, and you cannot say the opposite because you would be lying.**

**I Myself have spoken to you in many occasions to show you the path; I have passed on to you all that the Lord wanted. I have been patient and loving with you, even when you did not welcome nor understand Me, or when you manipulated My words. I have always forgiven you.**

**From now on, Jesus will speak to you at the times and in the way He will decide, in the power of the Holy Spirit. Open yourselves to Him to receive what you need. Remain faithful to Jesus and the Holy Spirit so**

**as not to break the thread that unites you with the Father. You will not have peace or happiness without the Love of the Father that only Jesus and the Holy Spirit can give you in fullness.**

**To those who do not believe in the true God, who reject His Love and are slaves of sin, I say: I will pray for you that the Lord may show you mercy and enable you to understand the gravity of your condition. It is not too late to change life, but if you do not do it, I will not be able to help you. Finally, those who have freely and consciously chosen to serve Lucifer in exchange for the kingdoms of this world will inevitably have to face the power of the Risen Lord, and it will be no walk in the park. Always remember the words of the Bible: *“It is a dreadful thing to fall into the hands of the living God.”*<sup>58</sup>**

**I have told you everything. Now, all that remains for Me is to assure you that I will always be with you on all paths that lead you to God. I will pray for you and offer Myself for you on the Heavenly Altar in the perennial Liturgy of the Church of the whole Universe. Thank you for all the steps you have taken with Me and for your faithfulness to God and Me.
